

How to find your way around

Campus Parking Instructions

You have been allocated car parking in the Main, Visitors or Central car parks within the UEA campus.

On arrival, please follow directions to any of these car parks and take an entrance ticket at the barrier, if applicable.

Please note we operate a pay & display system in the Visitors & central car parks and a pay on foot system in the Main car park, but this permit allows you to park free of charge, as a conference delegate. Please bring your car park entrance ticket to the conference office to be validated.

Please ensure that you bring your permit with you on the day of your conference and that it is displayed on your dashboard before leaving your vehicle, **otherwise there is a risk that your vehicle will be clamped and you may be asked to leave campus and find alternative parking arrangements.** If you forget your permit please contact the Conference Office on your arrival or you may have to pay to exit the car park.

If you forget your permit please contact the Conference Office on your arrival.

IMPORTANT – This permit does not guarantee a parking space. Please arrive in good time in case you need to seek a space in an alternative car park.

PLEASE DISPLAY THE NOTICE BELOW ON YOUR DASHBOARD
