

WEST SOMERSET PRIMARY CARE NETWORK

PROJECT MANAGER REQUIRED

Do you fancy a challenge? Are you innovative? Are you interested in being a part of the development of Primary Care Networks?

The West Somerset Primary Care Network (Exmoor Medical Centre, Dunster & Porlock Surgeries, Minehead Medical Centre and West Somerset Healthcare) are recruiting for a unique and exciting new role within their leadership team. Based in the beautiful rural surroundings of West Somerset, the PCN Project Manager will work alongside the Clinical Director, Dr Kelsey Boddington, to take this well-established collaborative neighbourhood working to the next level.

Core Details:

- Approximately 24 hours per week (hours negotiable)
- Salary negotiable based on experience (£30-40,000 WTE)
- 6 weeks Annual Leave
- NHS Pension
- Flexible Working
- Leadership Development Opportunities

Role Details:

- Working as part of a small leadership team
- Strategic and operational project development
- Attendance at Network, Locality and Regional Meetings
- Finance & Human Resources Management
- Data and IT Leadership
- Marketing and Public Relations Communications

Closing date: Friday 28th February 2020
