

## Associate (Salaried) GP or Fixed-Term GP

### 5-8 sessions

### AIR BALLOON SURGERY, BRISTOL

A vacancy which would suit an established GP looking to develop their career or a newly qualified GP looking for their first steps in General Practice,

We will support and develop GPs with our innovative induction programme, which includes protected weekly mentoring time.

We are a supportive, friendly and caring Practice. We actively encourage colleagues to develop individual interests and we value the importance of being inspired and enthused by our work. We are open to new ideas and ways of working.

**We ensure a healthy work-life balance is maintained through the decisions we make.**

**We continually review our working structure to enable this.**

**Your opinions and well-being matter.**

We are a GP Training Practice. We support medical students, Foundation doctors and ST trainees, alongside a GP Retainer.
