Or 'Take Back Control'

But not in a Nigel  
Farage way!!

# Questions to you:

What does it mean to be a partner?

Why be a partner?

What skills do you require to be a partner?

What distinguishes one partner from another?

# Partners In Practice

## Not just clinicians!!

- Employers
- Leaders
- Managers
- Business people

# Partners in Practice

Good partners lead by example

Good partners = good practices

Good practices:

- Are economically stable
- Are sustainable
- Attract and retain staff
- Have fewer legal issues

*i.e. the buck stops with you!!*

# Partners in Practice

- Senior partner/Managing partner?
- Probation
- Role profiles
- Lines of responsibility
- Accountability
- Appraisals/objectives
- Partnership agreement
