

## Paramedic prescribing

In EMIS Web 9.7.11 can now configure a Paramedic job role with Independent/Supplementary Prescribing. The Paramedic is required to supply their registration number to be able configure them correctly.

The screenshot shows the 'Edit user' window with the 'Role' tab selected. The 'Job Category' is 'Paramedic'. The 'Authorise Prescriptions' dropdown is open, showing options: 'Independent Prescribing', 'None', 'Independent Prescribing', and 'Supplementary Prescribing'. The 'Registration Number' field is also highlighted with a red circle and contains the value 'PA123456'.
