

Notes from the Primary Care Board meeting 23/06/2020 (for the LMC bulletin)

- A financial reconciliation was presented and approved by the Board.
- Final membership of the Board was agreed, including Trust, CCG, LMC, SPH, and PCN CD representatives.
- The Terms of Reference (ToR) for the Board were formally approved.
- The draft ToR for the Somerset shadow Integrated Care System (ICS) Board were discussed and approved.
- The members agreed that requests for representation from the PCB must be channelled through the LMC office, where appropriate representation can be agreed and co-ordinated.
- It was agreed that minutes from the PCB and relevant documents would be available to view on the password protected section of the LMC website. We will also explore other mediums for sharing with practices the work that the PCB is doing.
- I will be writing to all practices to provide details regarding the PCB, its membership, and the role that it will have representing Primary Care on the ICS and Integrated Care Partnership (ICP).
