Agenda

REFRESH: HOW WE CAN HELP YOU

WHAT YOU NEED TO KNOW: HI HUB

The SW CHIS Team would like to invite you to a series of sessions to help you understand how we can help you to improve uptake of immunisations at your practice. We will discuss what we do and why; who the stakeholders are that send and receive data; and if you choose, a look at our solution for more efficient data transfer, HI Hub.

If you are interested in attending please contact Erik Renz:
