

**Free pension seminars for GPNs and other primary care staff. Places are limited, and this offer is going out across England, aimed at staff over the age of 50. The joining links are next to the dates.**

[Please see below details of Staff Pension Seminars with registration details:](#)

### **The NHSE/I Pension Response Project – Staff Pension Seminars (Flexible Retirement and Pensions Tax)**

NHSE/I Staff Pension Seminar Team are working with our pension partners [Isio](#) (experts in the NHS Pension Scheme and Pensions Tax), Regional Retention Managers and NHS Employers, to support retention by highlighting the value of the NHS Pension Scheme for staff in late career and their loved ones eg Life Assurance, partner, children and other dependant benefits. Phase one of our project will explore the most impactful way to communicate with staff directly and explain the benefits and value of the NHS Pension Scheme and Pensions Tax for staff aged 50+ who can retire voluntarily but we want to retain for longer in the NHS.

We are pleased to announce that Isio are delivering a series of pension seminars in November and December 2021 on **Flexible Retirement** and **Pensions Tax**. The next phase of the project will use learning from across the project to develop the most impactful offer to support organisations engage with their staff across their career.

If you are a **nurse, including GP nurse, AHP, senior doctor or executive**, please join us for one of the following seminars:

#### **Flexible Retirement (max 100 staff)**

- Qualified nurses, AHPs and GP nurses aged 50+

#### **Pensions Tax (max 50 staff)**

- Senior doctors, GPs, and executives aged 50+

For this phase, slots will be offered on a first come, first served basis.

#### **Booking your place**
