## Comment

Significant pressure still showing in  
General Practice due to staff shortages,  
sickness and patient demand.

## A quick guide to the GPAS states

Black

Practice will fail within one month. Urgent system intervention required

Red

Sustainable in the short term. Needs system support

Amber

Sustainable in the medium term 6 months max). Probably needs system support

Green

Fully sustainable

## A selection of comments from our Practices

GP vacancies are being covered by expensive locums.  
As they don't do surgery admin, there is extreme pressure on salaried staff to do all the admin with added pressure of annual leave.  
Reception team are struggling with sickness and admin team need to help covering - spreading the pressure across all teams
