This practical workshop is aimed at Practice Managers, Business Managers and Clinicians involved in managing Personally Administered Items

Trainer Information

Tracy Hole and **Richard Hole** run Ash Lane consulting. Their work is predominantly within practices where they impellent their proven methodology for managing PAIs to increase Prescribing Drugs income and improve practice efficiency

WORKSHOP OBJECTIVES

During this 2.5 hour workshop we will:

- Explain the end-to-end Prescription Service (PPA) reimbursement process
- Identify the main problem areas within a typical Practice
- De-mystify what PAIs can be claimed and how much income should be received
- Present a methodology for a more systematic approach
- Provide tools and tips that enable immediate improvements to be made

Feedback from previous attendees:

"The PPA claims course has proven to be extremely useful. We did a reconciliation and tracked down over £5,000 of claims that have been missed."
Judi Green, Parkside Practice

"The trainer was a real expert in this and had clearly spent a huge amount time building up her knowledge, which those of us working in surgeries don't have time to do!"
Debbie Redfern, Monks Park Surgery
