

Change of Name for Occupational Health

Our Occupational Health provider has changed its name from Working on Wellbeing to [Optima Health](#). This change does not affect their contact information or the expert services that they deliver for staff, as follows:

- Health Screening for all new staff
- Immunisation and Vaccination for all front line staff including booster vaccinations
- Sharps, Needlestick and Contamination Injury Advice
- Occupational Health Management Referral for staff experiencing difficulties managing their physical health at work or who have enduring mental health issues

If you have any queries or concerns please email wellbeing@sompar.nhs.uk.
